

Team Spirit

I was walking down the shiny floored hallway at Baptist Hospital Northeast the other day when I noticed a big banner that said Oldham County Grand Slam. I thought, ‘HMMMM, Grand Slam . . . HMMM’ . . . then my slow poke brain realized, ‘Hey, the staff here is excited to be part of the races that we (Peggy Kilgore, Raylene Blair, Joe Spoelker and I) organize each year.’ It is really cool to know that team spirit is alive and well for the Grand Slam. The banner was letting everyone know that the staff at Baptist Hospital Northeast leads our Corporate Cup competition for most participants.

This year’s Oldham County Grand Slam has produced the best team participation ever! Some of our teams that are competing for the corporate cup trophies come from our sponsor organizations. We appreciate the added support in participants as well as our sponsors’ generous financial help. It would be wrong to miss this chance to mention all of our sponsors, so here goes: Baptist Hospital Northeast, Fastline, The Oldham Era, Oldham County On-Line, Pearce Ready Mix Concrete, The Bank Oldham County, Champion Chevrolet – Pontiac – Buick. Make sure you thank someone at these organizations the next time you see them.

Here are the current standings:
